# Founder's Day '78 Honors Alma Culton

The annual Founder's Day celebration began on Thursday, October 5, 1978, at 11 a.m. The Pikeville High School Flag and Rifle Squad conducted an impressive flag-raising ceremony which was concluded with trumpteers playing the "Star Spangled Banner" after President Jackson O. Hall raised the flag.

At 12:30 p.m. a luncheon took place in the Gold Room of Wickham-Memorial Hall. Guests of Miss Alma Culton, candidate for the honorary Doctor of Humane Letters degree, numbered about 60.

Guests, faculty, administrators, and students gathered in Faith Chapel for the Founder's Day Convocation. Professor Bill McCloud served as organist for the ceremony. The Concert Choir, Russell Patterson directing, presented the choral call to worship and an anthem. College Board of Trustees Chairman, Wilfred S. Martin, gave the pastoral call to worship and Rev. Ben Sheldon, pastor of the First Presbyterian Church, read the Assurance of Pardon. Campus Minister, Rev. Dr. Roger Keller, gave the sermon, entitled "Past, Present, and Reality." Dr. Marie V. Tarpey presented Miss Culton for the honorary Doctor of Humane Letters degree, which was conferred by President Hall. Trustee Lon B. Rogers offered prayers for the college and the Convocation closed with Dr. Culton giving the benediction.

Following the Convocation the Student Government Association sponsored a canoe race and picnic. The race began behind the college gym and consisted of a four-person team, two at a time, canoeing to the Middle Bridge and back. First place winners were Mark Harlow, Bruce Brown, Russell Patterson, and Mark McCoy. Second place went to Greg Keene, Dennis Coleman, John Ford, and Kenny Cantrell. Third place honors were captured by Mike Pierce, Paul Rader, Bruce Hehl, and Scott Lemon.

Friday afternoon registration and a reception was held in the Gold Room for out-of-town alumni and former faculty and staff. The college's Center for Continuing Education presented "South From Hell-Fer-Startin" at 7:30 p.m.

The Student Government Association sponsored a dance Friday night at Green Meadows Country Club. Music was provided by Manatee.

Saturday's activities began with the dedication of the Thomas H. Harmon House. Mrs. Helen Babel hosted an open house from 2:30-5:00. The activities culminated Saturday evening with the annual Alumni Banquet.

# “South From Hell Fer Sartin’ ”

Dr. Leonard Roberts recounts one of the many tales from “South From Hell Fer Sartin’ ”. The play is based on the book of the same name, a collection of folk tales, legends, and riddles of the Appalachians. The production is sponsored by the Kentucky Humanities Council and presented by Pikeville College.

# Homecoming 1978

Homecoming festivities began at Pikeville College December 15, with the cheerleaders leading a pep rally in the Bear's Den. The Pep Band, under the direction of Jim Andy Caudill, played and the Homecoming attendants were introduced.

A new event added to the list of Homecoming activities was a decorating competition between Page and Condit Hall. The men came out as winners with Page Hall collecting first place.

One of the largest Hoemcoming parades was held the following morning in downtown Pikeville, beginning its trek from the college gymnasium at 10:30. Five high school bands participated along with the college Pep Band, featuring Stuart Claus. Other participants were the 1978 Mountain Laurel Representative, Kathi Mullins Caudill, 1977 Homecoming Queen, Kay Blackburn, 1978 homecoming attendants, Bear mascot, basketball team, coaches, Student Government Association Officers, and the Dean and Assistant Dean of Students.

Marcia McClanahan Smith was crowned 1978 Homecoming Queen by Dr. Tom Johnson and 1977 Queen, Kay Balckburn, during half-time ceremonies at the Pikeville High School Gymnasium. The basketball game didn't prove exciting, for the Bears went down in defeat to the Berea Mountaineers with a score of 95-76.

"Razz Matazz" topped off the Homecoming festivities as college students, alumni, and faculty members danced the night away from 8 until 12 to their music. Afterwards, everyone ventured to parties or the Star Lite Bowling Alley where free bowling and pool were offered to those who came. A breakfast ended the early morning reacreation.

All Homeocming activities were sponsored by the Student Government Association.

# Who's A Who Who's A Who's Who

This year marks the 45th year of existence for Who's Who in American Universities and Colleges. The organization, established to recognize "the future leaders of America," printed its first book of listings in 1934-35 containing information on 1300 students from 250 colleges around the country. This year, there were 28,000 students from 1200 colleges and universities.

What does it take to become a Who's Who candidate? First of all, a student must have a 2.75 average, show interest in extra curricular activities, be of good character, and demonstrate promise for the future. The number of Who's Who members that a college may elect depends upon the enrollment of the institution.

This year, 16 students were elected to the membership from the Pikeville College student body.

## 1979 Mountain Laurel Festival Representative Betsy Davis

In May of each year colleges and universities in Kentucky send one young woman to Pineville, Kentucky, to represent that school at the Kentucky Mountain Laurel Festival. One girl participating in the festival is crowned Mountain Laurel Queen.

Any girl selected to attend this event is certainly honored. The 1979 Pikeville College representative to this festival was Miss Betsy Davis of Johns Creek, Kentucky. Betsy is majoring in music education.

# Editor's Note

Being Editor of the 1979 Highlander was an exciting and rewarding job. It brought with it many hours of work and headaches but good memories are far more outstanding. The book represents a single effort of the editor.

A very special thank you goes to Jerry Martin, the main photographer for the book. Without Jerry this book would not have been possible.

I would also like to thank the other photographers. Lee Shaw, Sandy Branam, and Sara Falls were a tremendous help to me. I was backed by student photographer, Steve Collier. Last, I would like to thank Jack Tester, our photographer from Olan Mills.

It's been quite a year!
